

Before you begin reading _____, scan (the text and everything on the pages) the pages; then, answer the following questions.

<p>1. Effort – How much <i>effort</i> will you put into scanning this assignment? Write a statement that describes your effort.</p>	
<p>2. Knowledge – Explain briefly what you already <i>know</i> about the information in this reading.</p>	
<p>3. Will Know – List important information that you <i>will know</i> after reading.</p>	
<p>4. Attract Attention – Relate what <i>attracted your attention</i> as you scanned the reading. Explicate why this caught your attention.</p>	
<p>5. Learning – Briefly explain what you <i>learned</i> from scanning this content.</p>	
<p>6. Evidence – What <i>evidence</i> can show your learning? Describe what you can do at this moment that will demonstrate what you learned.</p>
