## IMPORTANT NOTES:

### Variable Topics Courses:

These courses are also called "Independent Studies", "Special Studies", "Special Topics", "Internships", etc. Credit for variable topics courses is given only after a review of the course outline by the enrolling UC campus. This usually occurs after transfer and may include recommendations from faculty. Credit will not be given for variable topic courses in Journalism, Photography, Health, Business Administration, Architecture, Administration of Justice (Criminology) or Library Departments due to the credit restrictions in those areas. This policy is effective Fall 2001.

### LPC Variable Topics Courses include:

- o Colloquia – courses numbered 9
- o Contemporary Studies – courses numbered 49
- o Independent Study – courses numbered 29
- o Political Science 45

### Credit Limitations:

Limitations on the number of units that can be transferred to UC have been removed from Art, Music, and Theater Arts; however, students are cautioned from completing an excessive number of units in these areas. It is expected that students will plan their transfer program carefully and will enroll in general education as well as courses preparatory for their intended major at UC. Please consult your counselor for answers to any questions you may have about this matter.

### Effective Dates:

This course list is effective for the 2011-2012 academic year. For a course to transfer, it must be taken during a year it was approved for transfer. Therefore, it is important to review this list each academic year. To view course lists for previous years, refer to [www.assist.org](http://www.assist.org) and see a counselor.
